CHAIRPERSON & CEO'S REPORT

This year marks the 40th anniversary of the Community Justice Services SA Ltd and we celebrate 40 years of operating as a not for profit Community Legal Centre providing support for individuals and the South Australian community. On behalf of the Board, I offer our thanks and appreciation to our staff and volunteers, both past and current, who have worked diligently over four decades to provide those services to the many thousands of people that have requested assistance and support.

Staff and volunteers of Community Services SA Ltd deliver a wide range of diverse services to the community including, a Bushfire Community Legal service, a Family Law and Guidance Service, a Mental Health Program, Community Legal Education, and various partnership services and programs with various legal and non-legal community services. Partnership services provided include, providing free legal advice to women at risk of domestic violence, duty solicitor services, gambling and financial counselling, tenancy rights presentations, and a drug diversion program, to name but a few of the services delivered through our collaborative partnerships.

In addition to our dedicated paid staff, special mention should go to the various volunteers who are integral to the services provided by Community Justice Services SA Ltd. These volunteers include law students, placements for the Graduate Diploma of Legal Practice, and volunteer solicitors who provide invaluable services in Court appearances and the provision of specialist legal advice.

The diverse range of services and programs provided by the Community Justice Services SA Ltd, and in collaboration with our partner organisations, continues to be delivered by our three metropolitan and regional offices consisting of, the Southern Community Justice Centre, which services Southern metropolitan Adelaide, Murray Bridge, Victor Harbor, and Kangaroo Island. The Limestone Coast Community Justice Centre, based in Mt Gambier, and which services the area encompassing Bordertown, Naracoorte, Penola, Millicent, Kingston, Robe and Mt Gambier. The Riverland Community Justice Centre, based in Berri and which services the area encompassing Morgan, Cadell, Waikerie, Renmark, Loxton and Berri.

On behalf of the Board of Directors I thank the management, staff and volunteers of the three divisions of Community Justice Services SA Ltd for their continued commitment to providing quality legal and other community support services to a large geographic area of South Australia.

Michael Donald & Catherine McMorris
Chairperson and CEO

OUR VISION

Community Justice Services SA aims to make access to justice available to all those in the community who would otherwise not have access to services by prioritising services and programs to those denied access to justice due to social or economic disadvantages which restrict their ability to exercise their legal rights.

CJSSA aims to create a community that respects and upholds fairness, justice and human rights.

WHO WE ARE

CJSSA is a community legal service that provides free legal help to the community. CJSSA provides access to expert assistance and support to resolve legal/social problems, to have a positive impact on the health and wellbeing of individuals, and to build capacity to contribute to their community.

CJSSA ensures it is directing its resources for the greatest benefit and enhance services and better target programs through the ongoing evaluation of legal/social needs.

WHAT WE DO

1. Legal advice
2. Information and Referrals
3. Ongoing assistance and Court representation where appropriate are provided at no cost to eligible clients who cannot afford to pay a private solicitor and do not qualify for a grant of legal aid.

SUMMARY OF OBJECTIVES

1. Provide quality and streamlined assistance to the South Australian community.
2. Continue to and encourage innovation through the development of frameworks to maintain flexibility and remain adaptable to a growing and evolving organisation.
3. Maintain a thriving and diverse organisation to support professional client services.
4. Collaborate with community sector, Government and other services to deliver support, prevention and early intervention programs/services and to build quality relationships to leverage resources, expertise and knowledge to enhance communities.
5. Contribute to strategic advocacy to enhance the wellbeing of communities and individuals experiencing disadvantages.

- Driving under the influence
- Drive while suspended
- Other mis road traffic offences
- Drive without due care
- Motor vehicle property damage
- Sexual assault and related offences
- Property damage
- Theft & related offences

MEASURING OUR IMPACT

All legal advice client appointments and file closures are invited to complete the client survey. The survey results include each of our office locations and in this period we adapted our survey methodology to include an online survey method in addition to posting surveys to clients.

This new method has resulted in a larger number of responses to the survey particularly for legal advice clients. In addition to the responses to the survey questions clients are able to leave comments in the online survey method. This has been of great benefit to have additional feedback from clients in addition to the survey questions that we have not had before when surveying clients. Nearly all comments are extremely positive and have provided insight to client's concerns and fears. Clients found the service addressed their concerns and was very supportive.

Overall clients found engaging with the service to be a positive experience. The comments have highlighted the stress and strain client's experience and has reinforced factors already considered when interacting with clients in a holistic manner.

97% Of clients surveyed agree or strongly agree they would recommend the service

20% Had personal or cultural needs that the service provider needed to consider

88% Strongly agree that the service provider met those needs

Strongly agree that it was easy to contact the service

Strongly agree that the service listened to their legal problem

Of participants matters were resolved

Agree or strongly agree that the service helped them to understand their legal problem

WHAT OUR CLIENTS SAY

The solicitor taught me to be patient and follow the court process and procedures to achieve my desired outcome.

After 2 years fighting for my child I am now primary carer with the support and assistance of your service.

The solicitor agreed that there were red flags which helped me to feel less crazy.

Service was good I was unsure about a few things it is hard when you do not have money.

They were extremely helpful and considerate about my anxiety.

Great listening and helpful response to my issue.

They made a complicated issue straight forward.

Due to me having difficulty handling my high stress level I was able to have 2 support persons with me at the appointment which was greatly appreciated.

The effects of the pandemic continued to impact services during this period, however, staff have been supported to ensure clients were provided assistance in a timely manner, working from the office sites and from home. Legal advice and ongoing representation has been provided mainly by way of in-person appointments and via telephone when required, in accordance with clients' needs.

During this period, we bid farewell to our Principal Solicitor Kirsten. Kirsten had been with the Service for 7 years and was a valued member of the legal team. Unfortunately, due to ongoing border restrictions, we also said goodbye to Nick, one of our lawyers who was hoping to be based at Christies Beach and intending to relocate from Victoria.

In early 2022 we welcomed a new paralegal and 2 new solicitors to the team, Harley and Christine. Due to ongoing restrictions in response to the pandemic, our volunteer program was also impacted. The program was suspended for a couple of months during this period leading to a reduction in the number of volunteers.

Our solicitors maintained regular provision of services to outreach locations including Marion, Victor Harbor, Kangaroo Island, Meningie and Murray Bridge, in addition to our ongoing commitments to providing advice services both in person and via telephone.

The legal team also delivered a number of Community Legal Education presentations, including via our ongoing partnership with the Noarlunga Family Relationship Centre and at the Open Door forum.

New networks and collaborations during this period included the Service becoming a member of key national networks, the Economic Abuse Reference Group and the Disability Rights network. Staff also participated in the new Fleurieu Network meeting.

We also maintained our existing networks with staff participating in the Onkaparinga Collaborative Approach and Southern Domestic Violence Action Group meetings on a regular basis.

It has continued to be a challenging year with the effects of COVID impacting staff and clients. However, the legal team were able to ensure services continued throughout this year with over 1000 advices delivered and 123 matters opened for ongoing representation. SCJC Team

WORKING WITH THE COMMUNITY

CJSSA works collaboratively with community partner organisations. Working closely with our community partner organisations involves:

- Providing community legal education
- Working with local community partners so that they are well equipped to link the local community into our client services.

BCLP CLE Resources Created

9

CLE Sessions

OUR ACTIVITIES

CJSSA delivered community legal education (CLE) projects to priority communities in collaboration with other service providers. CJSSA worked with communities to target projects to build capacity for understanding and navigating the legal system to our priority groups.

The impact we are seeking to achieve through this work is that our community has increased legal knowledge and education and increased access to services that meet their legal needs.

OUR COMMUNITY LEGAL EDUCATION (CLE)

In this period we continued our partnership with Family Relationship Centres (FRC) and the delivery of Child Focused Information Sessions (CFIS)

In addition, our emerging Bushfire Community Legal (BCLP) program provided CLE to multiple community groups.

COMMUNITY RELATIONSHIPS

CJSSA works closely with our community partners and in this period we continue to engage with key stakeholders in each region.

CJSSA staff work closely with our key stakeholders in regions of high need and clients that are in most need. The relationships developed with other legal and non-legal service providers raises the awareness and reach of or service and provides warm referrals between service providers to assist our clients in a holistic manner.

Dispute
Resolution

Community Justice Centre we found ourselves with two full time lawyers in the office with another solicitor going on maternity leave and then returning in a part time work from home capacity. The 2022 year began with some restrictions in working from the office due to COVID-19 however staff returned fully face to face once lockdowns ended in around March 2022.

Our prison outreach face to face continues to be impacted with a telephone only service currently being offered. This remains an effective way to assist our clients in the Mount Gambier prison as we are still able to offer the level of assistance that we usually do face to face, there are however there is the small impact on clients who do need a face to face interaction in very certain circumstances. We have had very few visits to the prison to facilitate face to face appointments as most clients are able to be completely assisted by telephone.

We have had a number of files in the past year that have required ongoing assistance for prisoners, which meant our office had significant work in navigating the system with incarcerated clients. Bordertown and Naracoorte Criminal Magistrate circuits have continued with the frequency of these circuits increasing through 2022 with our new Resident Magistrate, Koula Kossiavelos. The Bordertown Circuit has been every month and Naracoorte has been every two weeks. Between our two full time solicitors, we have been able to assist at almost all of these sitting days.

The Federal Circuit and Family Court of Australia Mount Gambier sitting has had its moments of being busy throughout the year, with a significant number of advice appointments translating to referrals to our FLAGS program.

It has been of significant assistance to have the FLAGS program attend in Mount Gambier during the Circuits to help with specialist issues that are frequently before the Court.

In Family Law matters our office has had a number of Conciliation Conferences in the past 12 months. We have also had numerous matters where there have been Court Ordered Child Impact Reports. Unfortunately for our clients in the South East, this has meant significant travel to and from Adelaide to facilitate these report assessments as there is no outreach option for these reports to take place. This has been an issue that our office has strongly advocated for in seeking a local solution noting our client's significant financial limitations to travel up to Adelaide.

Our service continues its membership of the Limestone Coast Family Violence Action Group, Limestone Coast Community Services Round Table and the Limestone Coast Drug Action Team, with our Solicitor, Katherine Davies, continuing her Secretary role for the Family Violence Action Group.

LCCJC Team

DUTY SOLICITOR

Limestone Coast Community Justice Centre (LCCJC) is pleased to work in conjunction with Legal Services Commission and AC Care in Mt Gambier to assist to deliver the Duty Solicitor service for the South East region during Federal Circuit Court sittings. LCCJC was able to assist a total of 1 client for the duty lawyer service in this period.

In addition to the Duty Lawyer Service for the South East region during Federal Circuit Court sittings in Mount Gambier staff from LCCJC provide a Duty Solicitor Service to the Circuit Courts at Bordertown and Naracoorte whilst attending on outreach location days.

Duty Lawyer services conducted in the 2020- 21 year as a courtesy in the following courts when at outreach sessions were as follows:

30 **Bordertown Magistrates Court**

42 **Naracoorte Magistrates Court**

Riverland Community Justice Centre continue to be part of the local community and evolve to the expanding needs of the community.

Our fulltime Riverland solicitor was able to secure housing in December 2021, this provided consistency of service for clients and a familiar face for each appointment or court event. The secure placement of a regular solicitor, who lives in the area, has improved community connections and recognition of the service with both clients and service providers.

Mental health supports in the Riverland are limited and some clients can struggle to maintain engagement with services. In June 2022, Paul joined the team, an accredited mental health worker, to assist clients that present with or identify mental health concern. Paul has already become a crucial part of the service and assisted clients with a variety of legal matters, inclusive of counselling around relationship breakdowns and providing information to tender to the court in criminal matters.

The service did say goodbye to Margie, who had worked as administrative support since the opening of the service in 2019. Whilst we are sad to see her go, we wish her all the best in Western Australia.

WORKING WITH OUR COMMUNITY AND KEY PARTNERSHIPS

An ongoing relationship with the Riverland Domestic Violence Service has continued throughout the year with warm referrals being made between the services. Social workers from the RDVS accompany clients to legal appointments and work closely with the solicitor to support client engagement. This allows the services to provide a holistic trauma informed approach to clients that see a continuity of care throughout their matters.

Riverland Community Justice Centre maintains a close relationship with Relationship Australia with consistent communication and consultation throughout the year. This led to the recommencement of the solicitor assisted mediation program in conjunction with Women's Legal Service. We hope to expand on this program in the new year.

Our ongoing collaboration with AC Care Tenancy Education Group continued with regular Tenancy Rights session being delivered by our solicitor. The service has also fostered their existing relationship with Berri Headspace and FocusOne Health, including increased consultation between the service with a focus on providing educational information to counsellors with young clients that are in the family law or criminal system. Attendance at outreach locations have continued with face-to-face appointments being facilitated at Loxton, Renmark and Waikerie.

OUR LEGAL PROGRAMS

During the 2021-22 year, there has been expansion of services offered by CJSSA through our funding from the State and Commonwealth Attorney General's Department. Along with our existing Generalist SA and Family Law Family Violence programs, We now have the emerging statewide Bushfire Community Legal Program and the FLAGS program.

COMMUNITY JUSTICE CENTRES

The Generalist Service and Family law and Family Violence service operates in the inner southern areas of Adelaide including Kangaroo Island, Fleurieu Peninsula Murray Bridge and the Limestone Coast and Riverland Area.

Generalist Service

The Generalist Service provides legal advice and representation services on a range of civil, criminal and family law matters.

LEGAL ADVICES 1480 + 58 OOC
REPRESENTATION 170

Family Law & Family Violence Service

The FLFV service providers legal advice and representation services to those Who are vulnerable and suffering disadvantage in those areas of law relating to family breakdown and family violence.

Emerging Programs

MENTAL HEALTH PROGRAM

The mental health program began in mid-2022 and is funded for two Accredited Mental Health Social Workers covering Mt Gambier and Riverland with telehealth options for metro areas. It is designed to provide assistance with clients who are struggling with mental health issues, and who have engaged a Community Justice Centre Solicitor for legal support. The program provides general support to alleviate distress, alongside a variety of therapeutic interventions through a range of counselling techniques and clinical mental health support including assessment, referral, collaborative care, and mental state monitoring as well as care co-ordination as required. This supports the client in moving through their legal matters with additional support, emotional stability and clarity.

FLAGS

Family Law Advocacy and Guidance Services (FLAGS) a newly funded specialist pilot program of Community Justice Services that commenced in mid-2022. This program delivers legal advice and representation to those who need support in their family law matter. This is an extension of existing services focussed on the "missing middle". This program also has a family advocate onboard to help clients in managing the complexity of being in the family court.

I will be spruiking the incredible value of attending a BCLP presentation to everyone who lives in a bushfire zone. The information they provide is just as valuable as having a bushfire survival plan!

...fabulous communicators. It was the most worthwhile, informative 45mins of my week!

Previously I took it for granted that my insurance policy covers everything I need ... never assume!

CASE STUDY

HELPING A CLIENT TO KEEP THEIR HOME AND THEIR INDEPENDENCE.

Cam had received a notice from Housing SA to clean up their property, as they were alleging Cam was a hoarder. Cam was aged in their 70s and has some serious health issues, including mis-managed diabetes and a significant vision impairment.

Cam ignored the notice and eventually was given an eviction notice and then served with dealings in SACAT.

Community Justice assisted Cam with representation in SACAT, and ensured they were engaging with AC care for support to clean up the house. AC Care were able to assist in having Cam's property cleaned and noted and reported outstanding maintenance work that Housing SA had failed to complete. AC care also assisted with getting the client an ACAT assessment, who found that Cam qualified for at-home help with a cleaner each week.

Cam had numerous Orders to have the property cleaned up over various adjournments, mostly clearing space in the house. There were also multiple Orders for the Housing Authority to fix up various parts of the home.

The matter finalised with Orders allowing Cam to remain in the home.

The client was very keen to keep their independence, being that they enjoyed living in their home with all of their comforts. The proceedings caused significant impact on Cam's health, but with our service's help, including to engage with AC Care and an appropriate ACAT assessment, they were able to get their health back on track.

It was great to be able to assist the client to engage with local services to support their ongoing independence.

VOLUNTEERS

During this period the service continues to receive great interest in the volunteer program. Recruitment has continued and a comprehensive engagement strategy is in place. CJSSA is very grateful to the many students and volunteer Solicitors who provide valuable input to the service. However, COVID19 meant reduced volunteer hours for part of this period. For the period 2019–22 a total of 3616 hours was contributed by volunteers.

3616

Hours were contributed by volunteers
in 2021 – 2022 financial year

9 Volunteer students

4 Volunteer solicitors

6 Volunteer Legal
Placement students

STUDENTS

Demand has been high for the volunteer student program in this period with 30 law students recruited at the Christies Beach office.

Student volunteers assist with:

- Administration, typing and data entry
- Assist solicitors with drafting letters and
- other documents
- Legal Research
- Transcribing documents
- Attending court with solicitor
- Sitting in on client interviews
- Other tasks as per management

VOLUNTEER SOLICITORS

CJSSA also continues to receive interest in the volunteer solicitor program. The volunteer Solicitors can attend court hearings, participate in client interviews and have provided valuable assistance to our legal staff. In this period 12 volunteer Solicitors were recruited. Volunteer involvement was suspended in March 2020 due to COVID19 and recommenced on a limited basis from June 2020.

GRADUATE DIPLOMA OF LEGAL PRACTICE PLACEMENTS

We have continued to receive requests from law students for a placement as part of their PLT requirements. The Service was able to provide law students with the required legal experience in this period; 3 placed at the Mount Gambier office and 13 at the Christies Beach office.

In February I was fortunate enough to be taken on as a volunteer at the Southern Community Justice Centre. This position has given me experience in a legal environment, helped me develop useful skills for my future career and allowed me to give back to the community at the same time.

I cannot thank the staff enough for being so welcoming and also taking time out of their day to give me advice and useful tips. I would highly recommend volunteering at the CJSSA to any law students.
